Feet don't fail me now
Take me to that finish line
All my heart, it breaks every step that I take
I keep hoping that them gates,
They'll tell me that you're mine

Walking through the city streets
Is it by mistake or design?
That I feel so alone on a Friday night
Can you make it feel like home, if I tell you you're mine
It's like I told you honey

Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough
I don't know why
Keep making me laugh,
Let's go get high
The road is long, we carry on
Try to have fun in the meantime

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane
Choose your last words
This is the last time
Cause you and I, we were born to die

Lost but now I am found
I can see but once I was blind
I was so confused as a little child
Tried to take what I could get
Scared that I couldn't find
All the answers, honey

Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough
I don't know why
Keep making me laugh,
Let's go get high
The road is long, we carry on
Try to have fun in the meantime

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane
Choose your last words,
This is the last time
Cause you and I
We were born to die
We were born to die
We were born to die

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane

Don't make me sad, don't make me cry
Sometimes love is not enough and the road gets tough
I don't know why
Keep making me laugh,
Let's go get high
The road is long, we carry on
Try to have fun in the meantime

Come on take a walk on the wild side
Let me kiss you hard in the pouring rain
You like your girls insane
Choose your last words
This is the last time
Cause You and I
We were born to die
We were born to die
We were born to die
We were born to die
