Long is the day, take it away
Hold it up and you don't let it fall
Cause Devil's play was yesterday
And I don't care about that at all

I just smile, once in a while
Cause I don't want the lines on my face
And I sit right here, holding the years
And I count all the stars in space

You fall apart again, and you can find a friend
Don't turn to someone else, cause they won't
understand

I don't wanna hear you say, that you missed yesterday
And if you don't like what you see, that means nothing
to me

Self-respect goes unexpressed
I don't dream cause I cannot sleep
And I think the world of myself
But the world doesn't think much of me

As long as the day is full of time
There will always be room for your hand in mine

You fall apart again, and you can find a friend
Don't turn to someone else, cause they won't
understand
I don't wanna hear you say, that you miss yesterday
And if you don't like what you see, that means nothing
to me

No one's home, I'm alone with my music and my defeat
And as they say that yesterday is best when left to
sleep

You fall apart again, and you can find a friend
Don't turn to someone else, cause they won't
understand
I don't wanna hear you say, that you miss yesterday

And if you don't like what you see, that means nothing
to me
Means nothing to me
Means nothing to me
It means nothing to me
