No matter how many times that you told me you
wanted to leave
No matter how many breaths that you took, you still
couldn't breathe
No matter how many nights that you lie wide awake
to the sound of the poison rain
Where do you go? Where do you go? Where do you
go?
As days go by, the night's on fire

Tell me would you kill to save a life?
Tell me would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground

No matter how many deaths that I die I will never forget
No matter how many lives that I live, I will never regret
There is a fire inside of this heart
In a riot about to explode into flames
Where is your God? Where is your God? Where is your
God?
As days go by, the night's on fire

Tell me would you kill to save a life?
Tell me would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground

Tell me would you kill to save a life?
Tell me would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground
This hurricane's chasing us all underground
