Aren't you something to admire  
Cause your shine is something like a mirror  
And I can't help but notice  
You reflect in this heart of mine  
If you ever feel alone and  
The glare makes me hard to find  
Just know that I'm always  
Parallel on the other side

Cause with your hand in my hand and a pocket full of  
soul  
I can tell you there's no place we couldn't go  
Just put your hand on the past  
I'm here trying to pull you through  
You just gotta be strong

Cause I don't wanna lose you now  
I'm looking right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Coming back into you once I figured it out  
You were right here all along

It's like you're my mirror, oh  
My mirror staring back at me, oh  
I couldn't get any bigger, oh  
With anyone else beside of me, oh  
Now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror, oh  
My mirror staring back at me, staring back at me

Aren't you something, an original  
Cause it doesn't seem really that simple  
And I can't help but stare, cause  
I see truth somewhere in your eyes, oh  
I can't ever change without you  
You reflect me, that's what I love that about you

And if I could, I  
Would look at us all the time

Cause with your hand in my hand and a pocket full of  
soul

I can tell you there's no place we couldn't go  
Just put your hand on the past  
I'm here trying to pull you through  
You just gotta be strong

Cause I don't wanna lose you now  
I'm looking right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Coming back into you once I figured it out  
You were right here all along

It's like you're my mirror, oh  
My mirror staring back at me, oh  
I couldn't get any bigger, oh  
With anyone else beside of me, oh  
Now it's clear as this promise  
That we're making  
Two reflections into one  
Cause it's like you're my mirror, oh  
My mirror staring back at me, staring back at me

Yesterday is history, oh  
Tomorrow's a mystery, oh  
I can see you looking back at me  
Keep your eyes on me  
Baby, keep your eyes on me

Cause I don't wanna lose you now  
I'm looking right at the other half of me  
The vacancy that sat in my heart  
Is a space that now you hold  
Show me how to fight for now  
And I'll tell you, baby, it was easy  
Coming back into you once I figured it out  
You were right here all along

It's like you're my mirror, oh  
My mirror staring back at me, oh  
I couldn't get any bigger, oh  
With anyone else beside of me, oh  
And now it's clear as this promise  
That we're making  
Two reflections into one

Cause it's like you're my mirror, oh  
My mirror staring back at me, staring back at me, oh  
Oh  
Oh  
Oh
