Days like this I want to drive away  
Pack my bags and watch your shadow fade  
You chewed me up, you spit me out  
Like I was poison in your mouth  
You took my light, you drained me down  
That was then and this is now

This is that part of me  
That you're never gonna  
Ever take away from me no

This is that part of me  
That you're never gonna  
Ever take away from me no

Throw your sticks and your stones  
Throw your bombs and your blows  
But you're not gonna break my soul

This is that part of me  
That you're never gonna  
Ever take away from me no  
No

I just wanna throw my phone away  
Find out who is really there for me  
You ripped me off, your love was cheap  
Always tearing at the seams  
I fell deep, you let me drown  
That was then and this is now, now look at me

This is that part of me  
That you're never gonna  
Ever take away from me no

This is that part of me  
That you're never gonna  
Ever take away from me no

Throw your sticks and your stones  
Throw your bombs and your blows

But you're not gonna break my soul

This is that part of me  
That you're never gonna  
Ever take away from me no

Now look at me I'm sparkling  
A firework, a dancing flame  
You won't ever pull me out again I'm glowing, no

You can keep the diamond ring  
It don't mean nothing anyway  
In fact you can keep everything, yeah, yeah, except for  
me

This is that part of me  
That you're never gonna  
Ever take away from me no

This is that part of me  
That you're never gonna  
Ever take away from me no

Throw your sticks and your stones  
Throw your bombs and your blows  
But you're not gonna break my soul

This is that part of me  
That you're never gonna  
Ever take away from me no

Throw your sticks and your stones  
Throw your bombs and your blows  
But you're not gonna break my soul

This is that part of me  
That you're never gonna  
Ever take away from me no
