I've been out on that open road  
You can be my full time, baby  
White and gold  
Singing blues has been getting old  
You can be my full time, baby  
Hot or cold

Don't break me down  
I've been traveling too long  
I've been trying too hard  
With one pretty song

I hear the birds on the summer breeze, I drive fast  
I am alone in the night  
Been trying hard not to get into trouble, but I  
I've got a war on my mind  
So I just ride, I just ride  
So I just ride, I just ride

Dying young and I'm playing hard  
That's the way my father made his life an art  
Drink all day and we talk till dark  
That's the way the road doves do it, right till dark

Don't leave me now  
Don't say goodbye  
Don't turn around  
Leave me high and dry

I hear the birds on the summer breeze, I drive fast  
I am alone in the night  
Been trying hard not to get into trouble, but I  
I've got a war on my mind  
So I just ride, I just ride  
So I just ride, I just ride

I'm tired of feeling like I'm fucking crazy  
I'm tired of driving till I see stars in my eyes  
I look up to hear myself saying  
Baby, too much I strive, so I just ride

I hear the birds on the summer breeze, I drive fast  
I am alone in the night  
Been trying hard not to get into trouble, but I  
I've got a war on my mind  
So I just ride, I just ride  
So I just ride, I just ride
