There's a fire starting in my heart
Reaching a fever pitch and it's bring me out the dark
Finally I can see you crystal clear
Go ahead and sell me out and I'll lay your ship bare

See how I'll leave, with every piece of you
Don't underestimate the things that I will do

There's a fire starting in my heart
Reaching a fever pitch and it's bring me out the dark

The scars of your love, remind me of us
They keep me thinking we could have had it all
The scars of your love, they leave me breathless
I can't help feeling
We could've had it all
Rolling in the deep
You had my heart inside your hand
And you played it
To the beat

Baby I have no story to be told
But I've heard one of you and I'm gonna make your
head burn
Think of me in the depths of your despair
Making a home down there as mine sure won't be
shared

The scars of your love, remind you of us
They keep me thinking that we almost had it all
The scars of your love, they leave me breathless
I can't help feeling
We could've had it all
Rolling in the deep
You had my heart inside your hands
And you played it
To the beat

We could have had it all
Couldn't in the deep
You had my heart inside your hands

And you played it
To the beat

Throw your soul threw every open door
Count your blessings to find what you look for
Turn my sorrow into treasured gold
You pay me back in kind and reap just what you sow

We could've had it all
We could've had it all
It all, it all, it all

We could've had it all
Rolling in the deep
You had my heart inside your hands
And you played it to the beat
