This is the end
Hold your breath and count to ten
Feel the earth move and then
Hear my heart burst again

For this is the end
I've drowned and dreamt this moment
So overdue I owe them
Swept away, I'm stolen

Let the sky fall
When it crumbles
We will stand tall
We'll face it all together
Let the sky fall
When it crumbles
We will stand tall
We'll face it all together
At skyfall
Skyfall

Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number, you can take my name
But you'll never have my heart

Let the sky fall
When it crumbles
We will stand tall
We'll face it all together
Let the sky fall
When it crumbles
We will stand tall
We'll face it all together
At skyfall

Where you go I go
What you see I see
I know I'd never be me
Without the security

Of your loving arms
Keeping me from harm
Put your hand in my hand
And we'll stand

Let the sky fall
When it crumbles
We will stand tall
We'll face it all together
Let the sky fall
When it crumbles
We will stand tall
We'll face it all together
At the skyfall
The skyfall
Skyfall
At the skyfall
