My whole life, waiting for the right time  
To tell you how I feel  
Know I try to tell you that I need you  
And ere I am without you  
I feel so lost but what can I do?  
Cause I know this love seems real  
But I don't know how to feel

We say goodbye in the pouring rain  
And I break down as you walk away  
Stay, stay  
Cause all my life I have felt this way  
But I could never find the words to say  
Stay, stay

All right, everything is all right  
Since you came along  
And before you  
I had nowhere to run to  
Nothing to hold on to  
I came so close to giving it up.  
And I wonder if you know  
How it feels to let you go?

You say goodbye in the pouring rain  
And I break down as you walk away  
Stay, stay  
Cause all my life I have felt this way  
But I could never find the words to say  
Stay, stay

So change your mind  
And say you're mine  
Don't leave tonight  
Stay

Say goodbye in the pouring rain  
And I break down as you walk away  
Stay, stay  
Cause all my life I have felt this way  
But I could never find the words to say

Stay, stay

Stay with me, stay with me,  
Stay with me, stay with me,  
Stay with me,  
Stay
