Ain't a reason you and me should be alone  
Tonight, yeah baby (2x)  
I've got a reason that you should take me home tonight  
I need someone that thinks it's right when it's wrong,  
Tonight yeah baby (2x)  
Right on the limits where we know we both belong  
tonight

It's time to feel the rush,  
To push the dangerous  
I'm gonna run right to, to the edge with you  
Where we can both fall in love

Cause I'm on the edge of glory,  
And I'm hanging on a moment of truth,  
I'm on the edge of glory,  
And I'm hanging on a moment with you,  
I'm on the edge  
The edge (6x)  
I'm on the edge of glory  
And I'm hanging on a moment with you

Another shot, before we kiss the other side,  
Tonight, yeah baby (2x)  
I'm on the edge of something final we call life tonight  
Put on your shades cause I'll be dancing in the flames  
Tonight, yeah baby (2x)  
It isn't Hell if everybody knows my name  
Tonight

It's time to feel the rush  
To push the dangerous  
I'm gonna run right to, to the edge with you  
Where we can both fall in love

Cause I'm on the edge of glory,  
And I'm hanging on a moment of truth,  
I'm on the edge of glory,  
And I'm hanging on a moment with you,  
I'm on the edge  
The edge (6x)

I'm on the edge of glory  
And I'm hanging on a moment with you  
I'm on the edge with you (4x)

I'm on the edge  
The edge (6x)  
I'm on the edge of glory  
And I'm hanging on a moment with you
