All is undone
On to another

Holding the same face for months
Rip you off and sew me up
The wounds will heal in time
Eruptions now are calming down to the clearing sky
(All) is undone
The clearing sky
(All) is undone

All is undone
On to another

Holding the same face for months
Rip you off and sew me up
The wounds will heal in time
Eruptions now are calming down to the clearing sky

Rip you off and sew me up
(All is undone)
The wounds will heal in time
(The clearing sky)
Eruptions now are calming down to the clearing sky
(All is undone)
Rip you off and sew me up
(All is undone)
The wounds will heal in time
(The clearing sky)
Eruptions now are calming down to the clearing sky
(All is undone)
Rip you off and sew me up
(All is undone)
The wounds will heal in time
(The clearing sky)
Eruptions now are coming down to the clearing sky
(All is undone)
Rip you off and sew me up
(All is undone)
The wounds will heal in time
(The clearing sky)

Eruptions now are coming down to the clearing sky
(All is undone)
Rip you off and sew me up
(All is undone)
