Nothing about you is typical
Nothing about you is predictable
You got me all twisted, confused
It's so you

Up till now I thought I knew love
Nothing to lose and it's damaged cause
Patterns will fall as quick as I do
But now

Bridges are burning, baby I'm learning
A new way of thinking now
Love I can see, nothing will be, just like it was
Is that because

Baby you're so unusual
Didn't anyone tell you, you're supposed to
Break my heart, I expect you to, so why haven't you?
Maybe you're not even human cause
Only an angel could be so unusual
Sweet surprise, I could get used to unusual you
Oh, oh oh
Unusual you
Oh, oh oh

Been so many things, when I was someone else
Boxer in the ring, trying to defend myself
And the private eyes see what's going on
That's long gone

When I'm with you, I can just be myself
You're always where you say you will be
Shocking cause I never knew love like this could exist

Tables are turning, my heart is soaring
You'll never let me down
Answer the call, here after all
I never met anyone like you

Baby you're so unusual
Didn't anyone tell you, you're supposed to

Break my heart, I expect you to, so why haven't you?
Maybe you're not even human cause
Only an angel could be so unusual
Sweet surprise, I could get used to unusual you
Oh, oh oh
Unusual you
Oh, oh oh
Unusual you
