Going down the East side
Everybody stops
We own the streets, you and I
We're on our way to the top

I am on fire
You, you're right next to me
When we are dancing
We own the floor
We own the beat

I wanna see your body talk
I wanna feel the dance floor rock
I wanna be the sweat dripping
Wanna be the one you're hustling
I'm gonna be your ecstasy
I'm gonna take you home with me
I'm gonna make you feel the beat
And make you cry out
Cry out

Rolling down the West side
Finding trouble again
You touch me in the daylight
Making beats with your hands

I am on fire
You, you're right next to me
When we are dancing
We own the floor
We own the beat

I wanna see your body talk
I wanna feel the dance floor rock
I wanna be the sweat dripping
Wanna be the one you're hustling
I'm gonna be your ecstasy
I'm gonna take you home with me
I'm gonna make you feel the beat
And make you cry out
Cry out

I wanna see your body talk
I wanna feel the dance floor rock
I wanna be the sweat dripping
Wanna be the one you're hustling
I'm gonna be your ecstasy
I'm gonna take you home with me
I'm gonna make you feel the beat
And make you cry out
Cry out
Make you cry
Make you cry
