You'll never see a dark cloud hanging round me
Now there is only blue skies to surround me
There's never been a gray day since you found me
Everything I touch is turning to gold

Oh, you can colour my world with sunshine yellow each
day
Oh, you can colour my world with happiness all the way
Just take the green from the grass and the blue from
the sky up above
And if you colour my world just paint it with your
love, just colour my world

Just as long as I know you're thinking of me
There'll be a rainbow always up above me
Since I found the one who really loves me
Everything I touch is turning to gold

So you can colour my world with sunshine yellow each
day
Oh, you can colour my world with happiness all the way
Just take the green from the grass and the blue from
the sky up above
And if you colour my world just paint it with your
love, just colour my world

Sunshine yellow
Orange blossoms
Laughing faces
Everywhere, yeah

So you can colour my world with sunshine yellow each
day
Oh, you can colour my world with happiness all the way
Just take the green from the grass and the blue from
the sky up above
And if you colour my world just paint it with your
love, just colour my world

Colour my world
Oh, colour my world
