Lizard, lizard
Still (.....) darkness black summer (.....)
Somewhere a plane leaves
You're skin's strange
You always make it so hard
Lizard
You always make it so hard
Lizard
Morning comes (....)
Your eyes multi-faceted
Dreaming of islands out there
You always make it so hard
Lizard
It's always worked so far
Lizard
You always burn so cold
Lizard
You always make it so hard
Lizard
Black storms
White stars
The air rushes past your (...)
(.....)
You always make it so hard
You always make it so hard
