I'm sorry if I come across as thoughtless
I'm happy if I come across at all
It's useless when the ending becomes endless
I'm early 'cause there's nowhere else to go

I hope you don't think that I'm angry
I hope you don't think that I'm wrong
I hope you don't think that I'm frightened
I hope you think that I belong

It's funny that I seem to be so careless
I'm certain that it's easy to be sure
It's always when the night has become outrageous
It's not as though we ever lived before

I hope you don't think that I'm brutal
I hope you don't think that I'm dumb
I hope you don't think that I'm different
I hope you think that I'm welcome

(I'm sorry if I come across as thoughtless
I'm happy if I come across at all
It's useless when the ending becomes endless
I love you 'cause there's nowhere else to go)
