(I am a sailor on the water, did not find me through the dark)

I don't know, I don't know, I don't know where you go
I don't know, I don't know why I loved you so
You said it was alright
It stayed with me all night

I don't care, I don't care, I don't care where you are
I don't care, (I don't care), I don't care, I don't care who
you are
You said it was too hard
You took out your trump card

Song for the asking
Song for you obviously
Song for a singer
Song for a B movie
Song for the asking
Song for you and me

I don't think, (I don't think), I don't think I've ever been
to the brink
I don't think, (I don't think), I don't think I'll have another
drink
You said it was enough
Then you called my bluff

Song for the asking
Song for you especially
Song for the singer
Song for a B movie
Song for the asking
Song for you and the sea

I don't guess, I don't guess the answer will be yes
I don't guess, (I don't guess), I don't guess you can't
wait to undress
You said it was ready
I held myself steady

Song for the asking
Song for you especially
Song full of nothing
Song for the royalty
Song for the asking
Song for you and the sea
