I don't mind you saying  
That's it's time for us to go  
And I don't mind you playing  
But I think that you should know

It's the infancy of us  
Never mind the time,  
We'll live on trust  
Close enough to find  
In life we must love along the way

Oh the way that I feel it, that I feel it  
It's burning inside of me  
Oh, and I feel it  
I feel it like rain fallin down on me, on me

I don't mind you wondering  
If it's something you must do  
And I don't mind you thinking  
I just hope you'll think this through

It's the infancy of us  
Never mind the time,  
We'll live on trust  
Close enough to find  
In life we must love along the way

Oh the way that I feel it, that I feel it  
It's burning inside of me  
Oh, and I feel it  
I feel it like rain falling down on me, on me

I don't mind you saying that it's time for us to go...
