I don't mind you saying
That's it's time for us to go
And I don't mind you playing
But I think that you should know

It's the infancy of us
Never mind the time,
We'll live on trust
Close enough to find
In life we must love along the way

Oh the way that I feel it, that I feel it
It's burning inside of me
Oh, and I feel it
I feel it like rain fallin down on me, on me

I don't mind you wondering
If it's something you must do
And I don't mind you thinking
I just hope you'll think this through

It's the infancy of us
Never mind the time,
We'll live on trust
Close enough to find
In life we must love along the way

Oh the way that I feel it, that I feel it
It's burning inside of me
Oh, and I feel it
I feel it like rain falling down on me, on me

I don't mind you saying that it's time for us to go...
