C-I-A-R-A (whoa)

Everytime I look up
He be slidin' through in the F1-50 pickup
On them things shinin' with the crazy bangin' system
Laid back, reclinin' with his arm up out the window like,
ooh (ooh)
Everytime he calls, I pick up
When he doesn't, I be quick to double check my signal
Hold it out the window and pull up my antenna
I'm so gone, gotta hit 'em, I'm infatuated with 'em
And ooh, I never felt this before

[chorus]

Ooh, ooh baby
Ooh, ooh baby
Don't know what to do wit chu baby (don't know)
You just got me actin' so crazy
And I think this could be love (this could be love)
Ooh, ooh baby
Ooh, ooh baby
I just can't say no to you baby
Whatever you want, I'm so gone, I can't think
And I think it might be love
This could be love

Say baby, you're like
Part of the puzzle I've been missin' all of my life
You're like a brother but my lover, you might get right
I'm like an addict, gotta have it
When I go, my body goes, "Uh oh, oh no!"
See you give me such a good vibe (such a good vibe)
When the drama sittin', ridin' on the B ride (on the B ride)
I'll still be with ya, even if ya pockets ain't tight
I may be young but I know love and you're the one
And boy, you really got me feelin' so right

[chorus]

Ooh, ooh baby
Ooh, ooh baby

Don't know what to do wit chu baby (I don't know)
You just got me actin' so crazy
And I think this could be love (this could be love, oh
yeah)
Ooh, ooh baby
Ooh, ooh baby
I just can't say no to you baby (no)
Whatever you want, I'm so gone, I can't think
And I think it might be love
This could be love (could be love)

Ooh baby
Ooh baby, baby
Got me actin' up
I'm diggin' on you (I'm diggin' on you)
I don't know what to do (no [7x])
Ooh baby
Ooh baby, baby
Got me actin' up
Don't know what to do
You got me so in love
Cause I'm diggin' on you
I'm so in love

[chorus]
Ooh, ooh baby (hey)
Ooh, ooh baby (hey, baby)
Don't know what to do wit chu baby (you got me goin'
crazy)
You just got me actin' so crazy
And I think this could be love
Ooh, ooh baby
Ooh, ooh baby
I just can't say no to you baby
Whatever you want, I'm so gone, I can't think
And I think it might be love
This could be love

[chorus]
Ooh, ooh baby
Ooh, ooh baby
Don't know what to do wit chu baby
You just got me actin' so crazy
And I think this could be love (oh, baby, baby)
Ooh, ooh baby
Ooh, ooh baby
I just can't say no to you baby
Whatever you want, I'm so gone, I can't think
And I think it might be love
This could be love
(Da, da, da....)
