There was a time you thought  
I was in love with you  
Well, think again  
You can't read my thoughts

You're so pretty  
I'd like to break your smile in two  
You're so correct  
I'd like to disconnect the dots

You're such a child  
But you're not innocent  
Another kid for rent

Why did you send me roses?  
Save them for someones death  
The love you have to offer  
Is only baby's breath

There was a time  
I thought you were magnificent  
But you've got nothing  
To have or to hold

You're so pensive  
But your thoughts are insignificant  
Wrap 'em up  
Another twenty billion sold

You think you're wild  
And know what danger means  
In your designer jeans

Why did you send me roses?  
Save them for someones death  
The love you have to offer  
Is only baby's breath

I'd like to have you alone tonight  
And rearrange your mind  
I'd like to have you  
But I know I'd be wasting my time

Why did you send me roses?  
Save them for someones death  
The love you have to offer  
Is only baby's breath

Why did you send me roses?  
Save them for someones death  
The love you have to offer  
Is only baby's breath
