Chrissie:

Youve been crying your face is a mess  
Come in baby, you can wipe the tears on my dress  
Shes hurt you again, I can tell  
I know that look so well

Ali:

Dont be shy, weve been here before  
Pull your shoes off,  
And I will lock the door  
And no-one has to know, Ive come here again  
Knowing itll be like its always been before

(chorus)

Chrissie & ali:

Breakfast in bed, kisses for me  
You dont have to say you love me  
Breakfast in bed, love can make you sing

Chrissie:

Whats your hurry, please dont hit and run  
We can let her wait, my darling its been so long

Ali:

Since youve had me here, Ive returned again  
Darling it will be like its always been before

Repeat chorus and fade
