Now the reason we're here
As man and woman
Is to love each other
Take care of each other

When love walks in the room
Everybody stand up
Oh, it's good, good, good
Like Brigitte Bardot

Now look at the people
There're in the streets, in the bars
We are all of us in the gutter
Some of us are looking at the stars

Look 'round the room
Life is unkind
We fall but we keep gettin' up
Over and over and over

Me and you, every night, every day
We'll be together always this way
Your eyes are blue like the Heavens above
Talk to me darlin' with a message of love

Now the reason we're here
Every man, every woman
Is to help each other
Stand by each other

When love walks in the room
Everybody stand up
Oh, it's good, good good
Say I love you, I love you, I love you
I love you, I love you, I love you

Talk to me darlin'
Talk to me darlin'
Talk to me darlin'
Talk to me darlin'
