Private life drama baby leave me out  
Private life drama baby leave me

J'ai les glands with your theatrics  
Your acting's a drag  
It's ok on TV 'cause you can turn it off  
But don't try me

Yes your marriage is a tragedy  
But it's not my concern  
I'm very superficial  
I hate anything official

You've been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you've been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you've been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you've been lying to someone and now me  
(Private life drama baby leave me)

Sentimental gestures only bore me to death  
You've made a desperate appeal now save your breath  
Attachment to obligation through guilt and regret shit  
that's so wet  
And your sex life complications are not my fascinations

You've been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you've been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you've been lying to someone and now me  
(Private life private life leave me out)  
Stop, you've been lying to someone and now me  
(Private life drama baby leave me)

You asked me for advice I said use the door  
But you're still clinging to somebody you deplore  
And now you wanna use me for emotional blackmail  
I just feel pity when you lie, contempt when you cry

You?ve been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you?ve been lying to someone and now me  
(Private life drama baby leave me out)  
Stop, you?ve been lying to someone and now me  
(Private life private life leave me out)  
Stop, you?ve been lying to someone and now me  
(Private life drama baby leave me)

Ohh, how you mean
