Everybody chokes  
When they see someone cut down in their prime  
It may not show when you look at me  
But I know I'm in mine  
I'm potent, baby, I'm potent  
Dangerous to the naked eye  
Rest your head on this bed of mother's pride  
And find out why

Don't you wanna take me home?  
Don't you wanna take me home?

Give me a sense of purpose  
A real sense of purpose now  
Give me a sense of purpose  
A real sense of purpose now

Bully boys don't bother me  
I purse my lips and they run away  
Guys like you who are gentle and true  
Don't come around here everyday  
I'm potent, baby, I'm potent  
Just one swing of me would get most guys smashed  
But a drop of yours makes me stagger and swerve  
I guess I'm outclassed

Everybody chokes  
When they see someone cut down in their prime  
Take this plea to your heart  
- lift me in mine

Don't you wanna take me home?  
Don't you wanna take me home?

Give me a sense of purpose  
A real sense of purpose now  
Give me a sense of purpose  
A real sense of purpose now

Give me a sense of purpose  
A real sense of purpose now  
Give me a sense of purpose

A real sense of purpose now
