05. Who's Who [Chrissie Hynde]

~~~~~

When We meet again just refer to Me as "Back Then"  
Or Pretend not to Recall  
Ever knowing Me at all  
Or Hanging Round My Door  
Begging for more

When You begin playing to win  
That's when the Losers rush in

And I  
I got better than You  
At jumping the Queue to get closer to seeing  
Who's Who

A man without a Home is never alone  
Well just look at what He's got  
The Whole Parking Lot  
In those Unsheltered Places  
There's always other Faces

Take Mine for a Start  
It's like a Modern Work at Art  
Disturbing and Lacking in Heart

And I  
I got better than You  
At jumping the Queue to get closer to seeing  
Who's Who

It must be so Wonderful  
Being You Everyday  
Oh it must be so Wonderful  
Always gettin' Your Way

A Common Dialogue  
Is the Best Thing that You'll get  
From ther Woman You call Your Wife  
So Try not to forget  
To tear out and burn  
The Things You unlearn

Your Future exists in Her Shopping Lists  
Please call Your Office

And I  
I got better than You  
At jumping the Queue to get closer to seeing  
Who's Who

I got better than You  
I got better than You
