in a sluggish economy
inflation, recession
hits the land of the free
standing in unemployment lines
blame the government for hard time

we just get by
however we can
we all gotta duck
when the shit hits the fan

10 kids in a cadillac
stand in lines for welfare checks
let's all leach off the state
gee! the money's really great!

soup lines
free loaves of bread
5lb blocks of cheese
bags of groceries
social security
has run out on you and me
we do whatever we can
gotta duck when the shit hits the fan
