It's time to get loose Feeling brand new Music jumping through my body Getting in the mood It's so hot to my feet Burning up the streets

(Dance with me, imma show you how to work that)

Shake your hips from side to side Twist your body from left to right Poke it out girl don't be shy Party-people showing out tonight (He-eey)

Chorus: Everybody lemme see you get loose with it Put your hands in the air Get Loose with it Dip it low To the floor Swing your hips with it Bring it back now Time to get loose with it (Repeat)

Verse 2: Throw your hands up to the sky It's all good lets party tonight Whatchu feelin' is the truth, baby You came out so let your body feel free

I got you feeling so hot and sexy Dance on me body screaming "Come and get me!" Music in the air People everywhere (Heeeey)

(I like the way, I like the way you turning me on)
Put your body on me
Grind to the beat
Now lemme feel that body heat
(Yeaaah)

I want it now
I need it now
Imma turn it out
Lemme show you how
