I'm an open book
Oh darling don't you know I mean it?
No more fixing to unfold
No more stories left untold
No decorations, no more secrets

I'm an open book
Clear and white as a morning skyline
I've got no candy coated lines
No pretty words
No compromise
So come on baby won't you read me?

Darling won't you take a second look
Yeah I promise to be good
Won't you take a second look?
Inside this open book

I'm an empty page
I'm a tale without an ending
I have yet to write the lines
They are yours and they are mine
So let's take comfort in believing

And I'm an open heart
My wounds will heal throughout the seasons
I won't give up a single hope
The day is ours and that's all I know
So let's get ready to receive it

Darling won't you take a second look
Yeah I promise to be good
Won't you take a second look?
Inside this open book
