I'm gonna race you
Race you
Race you
Race you back home
The sun's going down now and I'm ready to go
I'm ready to go

'Cause there's dirt on my skirt and pebbles stuck in my
toes
Oh
Which way should we go down
Nobody knows
Nobody knows

I'm gonna race you back home
Ba ba ba
Ba ba ba
Oh
I'm gonna race you back home
Ba ba ba
Ba ba ba
Oh

'Cause there's a shortcut down the beaten path
One step to the right
Three to the left
The moon so high
The wind so fast
Makes us feel like goddesses

1 2 3
Set
Ready
Set
Go
May heaven help you if you're slow
We're gonna run like bandits while the flames are
chasing
Racing
Racing
Racing back home

I'm gonna race you
Race you
Race you
Race you back home
Everyone's waiting and your supper's gone cold
Your supper's gone cold

Yeah
The table's ready
Your sisters all in a row
They're all waiting to kiss you
Tell me you've grown
My how you've grown

I'm gonna race you back home
Ba ba ba
Ba ba ba
Oh
I'm gonna race you back home
Ba ba ba
Ba ba ba
Oh

Roll
Roll
Roll
Run
Run
Run
Meet me at the bottom after I have won

Roll
Roll
Roll
Run
Run
Run
Meet me at the bottom
Oh
After I have won
I have won

'Cause there's a shortcut down the beaten path
One step to the right
Three to the left
The moon so high
The wind so fast
Makes us feel like goddesses

Set
Ready
Set
Go
May heaven help you if you're slow
We're gonna run like bandits while the flames are
chasing
Racing
Racing
Racing
Racing
Ooh

I'm gonna race you back home
