Everyone's wearing jackets but me
Everyone's holding parasols
Whistling
Everyone's wearing jackets but me
I'm feeling melancholy
Melancholy

Everyone's got a bicycle but me
Cruising down the avenue like feathers on the sea
Everyone's got a bicycle but me
It's so unsettling
Unsettling

But what is there to do
When you know that you've been fooled by the rainiest
of summer
Rainiest day of summer
Just when you decide you wanna take a little step
outside
You get plummeted by the downpour on the rainiest
day of summer
Whoa
Ooh

Everyone's got a safety net but me
Rubber boots and high tops
And skirts below the knee
Everyone's got the message but me so why am I still
laughing
Why am I still laughing

'Cause it seems I've found the evidence that the
weatherman lied
But maybe there's a side of us that wants to be denied

The rainiest day
The rainiest day
The rainiest day of summer

But what is there to do
When you know that you've been fooled by the rainiest

of summer
Rainiest day of summer
Just when you decide you wanna take a little step
outside
You get plummeted by the downpour on the rainiest
day of summer
Whoa
Ah
