"A Christmas Song"

I, I wanna deck the halls
Fa-la-la-la-la-la, and jingle all the bells
It's a silent night
Lovely for a ride
Together on a sleigh
(Together on a sleight)
All is calm and all is bright
(All is calm and all is bright)

(Chorus):

Whenever I hear a Christmas Song,
You're always in my heart, you're always in my heart
Whenever I hear a Christmas Song,
You're always in my heart, you're always in my heart

Here comes Santa Clause
Do you hear what I hear
The sound of silver bells
(Silver bells)
And Come Ye Holy Night
Hark the Herald Angels
And sing the First Noel
I'll be home for Christmas night
(I'll be home for Christmas night)

(Chorus)x2

I wanna deck the halls
Fa-la-la-la-la-la
And jingle all the bells
