So this is christmas  
And what have you done  
Another year over  
A new one just begun

So this is christmas  
I hope you have fun  
The near and the dear ones  
The old and the young

And so this is christmas  
For weak and for strong  
For rich and for poor ones  
The road is so long

And so happy christmas  
And a happy new year  
Lets hope it's a good one  
Without any fear

War is over  
If you want it  
War is over now

So this is christmas  
For black and for white  
For yellow and red ones  
Lets all stop the fight

So happy christmas  
And what have you done  
Another year over  
A new one just begun

And so happy christmas  
And a happy new year  
Lets hope it a good one  
Without any fear

War is over  
If you want it

War is over now

War is over  
If you want it  
War is over now

War is over  
If you want it  
War is over now War is over If you want it War is over  
now
