Born into a war and peace
Forced to choose between right and wrong
Each man kills the thing he loves
For better or for worse
Face to face with the ragged truth
Mixed up and torn in two
Turned your back on the only thing
That could save you from yourself

Where were you hiding
When the storm broke
When the rain began to fall
When the thunder and the lightning struck
And the rain and the four winds did howl

After all time building up
Comes inevitable knocking down ONE BY ONE
Comes receivers, liars, gamblers
Pick pocket entourage TWO BY TWO
Selling out is a cardinal sin
Sinning with a safety net
They say that all things come in threes THREE BY THREE
Here comes the third degree

Where were you hiding
When the storm broke
When the rain began to fall
When the thunder and the lightning struck
And the rain and the four winds did howl

All cards are marked
All fates will collide
The truth is the truth
Or the truth is surely a lie
Get back in your shelter
If you can't come down of the fence
And one more question
Where were you

Where were you hiding

When the storm broke
When the rain began to fall
When the thunder and the lightning struck
And the rain and the four winds did howl
