"Cherries In The Snow"

Visit "[Cherries In The Snow](#)" on MotoLyrics.com

Cherries in the snow.
Cherries when you blow.
Don't wither.
Don't wither.
Cherries in the sky.
Cherries by and by.
Don't wither.
Don't wither.

When the boys pass
- and they're saying,
"Ooh La La!"
"Ooh La La!"
Ooh ooh La La,
Ooh ooh La La,
Ooh ooh La La,
Ooh ooh.

Cherries on the street.

Cherries at your feet.
Don't wither.
Don't wither.
Cherries in the morn.
Cherries until dawn.
Don't wither.
Don't wither.

When the boys pass
- and they're saying,
"Ooh La La!"
"Ooh La La!"
Ooh ooh La La,
Ooh ooh La La,
Ooh ooh La La,
Ooh ooh.
