Let's not say it's over.
Let's not bid adieu.
One and one don't make one.
One and one make two.
Let's not shut the light.
Let's not close the book.
Take a second look

Let's step through a magic door.
And be set for more, be set for more.

It was dark for hours.
Everyday it rained.
But we'll go back to Paris and
We'll go back to Spain.
Let's not hit the switch.
Let's not say we're done.
We've only begun!

Let's step through a magic door.
And be set for more, be set for more.

Ah, ah ! When the smoke, it settles,
let's not give in to fear.
We'll barrel through together,
Cause we belong here.
Let's not turn the page.
Let's not change the plan.
Oh, please take my hand!

Let's step through a magic door.
And be set for more, be set for more.

Ah, ah! Let's not shut the light.
Let's not close the book.
(Step through a magic door)
Take a second look
Let's step through a magic door.
(Step through a magic door)
And be set for more, be set for more.
And be set for more, be set for more.
