O, I was walkin' late at night
And I was feelin' quite alright
And I was wishin' that you were mine, O mine
O, I was thinkin' of you and I
And I was dreamin' you were by my side
And I was wishin'
That you were mine, O mine
Refrain:
I wake up and I see the shore
Over waves my feeling soar
When skies are blue
I just want more
The sunshine's high
My heart beats like never before
O, I'm still thinkin'
Do I have to try
To make this daydream, not a lie
And I am wishin' that you are mine, O mine
And I've been thinkin'
That we'd go out and we'd be laughin'
O so loud and we're wishin'
That you are mine, O mine
Repeat Refrain
And that you'd give me a diamond ring
And then you'd give me a wedding ring
An I'm still wishin' that you are mine, O mine
And in our honeymoon, we'd have kids so soon
O, I was walkin' late at night
And I was feelin' quite alright
And now I'm wishin' that you were mine, O mine
La la la la la la la la...
