Love me or leave me and let me be lonely  
You won't believe me but I love you only  
I'd rather be lonely than happy with somebody else

You might find the night time the right time for kissing  
But night time is my time for just reminiscing  
Regretting instead of forgetting with somebody else

There'll be no one unless that someone is you  
I intended to be independently blue

I want your love, but I don't wanna borrow

To have it today and to give back tomorrow  
My love is your love  
There's no love for nobody else

(Intermezzo)

There'll be no one unless that someone is you  
I intended to be independently blue

I want your love, but I don't wanna borrow  
To have it today and to give back tomorrow  
My love is your love  
There's no love for nobody else
