NO LOVE, NO NOTHIN'
Ella Mae Morse

No love, no nothin',
Until my baby comes home,
No sir! No nothin',
As long as baby must roam,
I promised him I'd wait for him
Till even Hades froze,
I'm lonsome, Heaven knows,
But what I said still goes,
No love, no nothin',
And that's a promise I'll keep,
No fun with no one,
I'm getting plenty of sleep
My heart's on strile
And tho' it's like an empty honeycomb,
No love, no sir! No nothin',
Till my baby comes home
