I honestly don't have a clue what I'm talking about,
This is a statement.

I'm sorry for being so middle class
Spoilt little me I've got my head up my own ass
You've got your toys and I've got mine,
You keep your ak-47 I'll keep my 4xWheel drive,

Yeah right does anyone care so much?
Your politics are something that should never be
Touched,
I'm dumb, I'm dumb to the core,
I'm dumb gimme 4 to the floor,

My love, we need, 2 glasses of wine and a passion to
Breed.
My love, we need, a cupboard of guns and a sunday on
Speed.

How many A-levels does it take to build a wall... how
Many a -levels?
I'm dumb, I'm dumb to the core,
I'm dumb gimme 4 to the floor,

Pick my guitar up nice and easy, run my hands down
it's
Neck and I'll play it with feeling.

What are ececonomics, stock exchange and social
politics?
Not for ME hunny it's not for me hunny.

What are ececonomics, stock exchange and social
politics?
Not for ME hunny it's not for me

Would you love me if I were black,
Would you love me if I were gay or put I knife in my
Back
I didn't ask to be who I am,
But I'm here and here I stand,

How many a-levels does it take to rule the world? how
Many a-levels
I'm dumb, I'm dumb to the core,
I'm dumb gimme 4 to the floor,

You don't have to shout just to get your point accross
(X7)
You've only got to SCREAM just to get your point
Across!

What are economics, stock exchange and social
politics?
Not for ME hunny it's not for me
