(Intro)

Yes sir oh we got coming up like I said
Shorty on the lookout featuring thatbad man median
(shorty hit the brakes to late)
Uh from justus league WJLO BAM! (shorty hit the brakes
too late)
The future of hip hop music

Shorty hit the brakes to late (check it out now slow it
down now)
Shorty hit the brakes to late (check it out now slow it
down now)
Shorty hit the brakes to late (check it out now slow it
down now)

(Phonte)

Hey yo rollin out the criebe about a quarter to six
(quarter to six)(okay)
Fresh tims bubble goose all in the mix (all in the mix)
Y'all niggaz know my stee's and how crazy I get (uh
huh)
I'm lookin for the broad shaking ass and tips (shake it
down now)
I got the j-league bangin hard out the whip (hard out
the whip)
Picked up the phone and hit my nigga pooh on sip (r-
rrring)

(Big Pooh)

I got the call from 'te about a quarter to eight (quarter
to eight)
Don't about y'all niggaz but I sure look great (sure look
great)
I went to change that's how I meet in place (you know)
There go 'te and all damn he always late (always late)
Hop in the whip it's the leagues new shit (yeah)
What up with this chicks yo I'm trying to hit (trying to
hit)

(Phonte)

Hey yo these chicks around here and trying to give me

no play (oh word)
They mad at my verse from whatever you say
Yo sorry about the shirt i'll hit you with pay (okay)
You still rockin that punch from the video day (say
word)
We about to take it over to the median stay
(so we could so we could so we could)
Just bounce to the beat bounce, rock and sway

Chorus(Phonte + Big Pooh + Median)
Shorty hit the brakes to late (check it out now slow it
down now)
(P) Looking at me cause I am just keeping it thoroughly
Shorty hit the brakes to late (check it out now slow it
down now)
(BP) We shine it right for every man, child, woman and
girl
(P)To my man's in it (c'mon) and my peep's in it (c'mon)
and my girls in it

(c'mon) put your world in it (oohhh)
Shorty hit the brakes to late (check it out now slow it
down now)
(BP)Looking at us beacause we on top of the world
Shorty hit the brakes to late (check it out now slow it
down now)
(P) And every state, every city, every town and girl
(M) And to my freaks in it (c'mon) and the fam in
it(c'mon) and the ladies in

it (c'mon) it's all gravy in it (oohhh)

(Phonte)
Hey that nigga median ain't never at home (never at
home)
He trying to be a player like rome and dome (slow it
down boy)
Probably at a coffee shop trying to bone (okay)
Gasing up these chicks like sharon stone (say what)
Got these young broads thinking that they grown
(okay)
Nigga need to go and get a celluar phone (that's what
you need to do)

(Big Pooh)
'Te I see him at a party just last week (just last week)
He had him around his arm a little dark skin freak (dark
skin freak)
Mc on the table on the mic you meet (you meet)
Broads around median trying to speak (trying to speak)
I guess that's the life walking the hissues (i don't know)

All we need now is a dutch and a brew (okay)

(Median)

It's mid december in her (mid december in her)

Seventy degrees and the sky's are clear (sky's are clear)

Feel's so good like the vien in hear (vien in hear)

Dude thow's stars and stripes mean that the end is near (end is near)

No time got evicted got a cribe to clear (cirbe to clear)

Move on don't stop house parties and all

and we going to ball till the break of dawn

Chorus (Phonte + Big Pooh + Median)

(Big Pooh)

Man we you in we trying to lay this jam (lay this jam)

All we here is songs the invisible man (invisible man)

Girls they go hard get-getty and stuff (getty and stuff)

That's why we won't you we ain't pretty enough (pretty enough)

To the neisan we going to lay these plans (lay these plans)

Next week we record it at missy yan's (missy yan's right)

(Median)

Probably think I be playing with this (it ain't like that)

I can here them niggaz pooh and phonte in this shit (phonte in this shit)

If only they knew that a brother could holdin it down

Grindin till the day we be controllin it now (controllin it now)

To the break of dawn (break of dawn) to the break of dawn (break of dawn)

Flow's hot just open up your mind baby (baby)

The blind lead the blind make the grind crazy (grind crazy)

Why maybe just co-signed baby (co-signed baby)

Median would like to know your baby (know your mind)

J-lizzy is about to blow your mind baby (mind baby)

Lunch time, crunch time, punch line baby (punch line baby)

Our time now what is that a crime now baby (crime baby)

Chorus (Phonte + Big Pooh + Median) *to acapella

Beat changes to fade
