Radar radar radar
Searching for innocence
Satisfied, satellite
Where do I fit in?
All mixed up with you
in the right kind of wrong
Radar radar radar
Calling out for the truth
What words are most wise
from a bloodthirsty youth?
I have tasted the sweet of your lips
but am I pacified?

No no no
No no no no no
No no no no no

Heart calls domino
Mi fai pazzo

No
No no no no no
No no no no no

Heart calls domino
Mi fai pazzo
Radar radar radar

How do you like it? [x4]
How do you like me? How do you like me now?
How do you like me? How do you like me now?
How do you like me? How do you like me now?

No no no no no
No no no no no

Heart calls domino
Heart calls domino
Radar radar radar
Calling out for the truth
What words are most wise

from a bloodthirsty youth?
I have tasted the sweet of your lips
but am I pacified?

No no no
