I feel like my world is crashing down without you.  
I know that I never could go on without you.  
Where did your wings take you this time? So far away  
from me.  
You Runaway to escape but I've been dying to tell you  
that  
When you come home, I'll be waiting for you with open  
arms.  
I'd do anything to wake up in your arms.  
I don't seem to understand why every time that you are  
near  
I keep feeling like I'm farther from you.  
I'll take your wings so that you'll come back down to me
