Can't see it out
Oh, that's how I feel
You're not around
It seems so unreal
I'm beaten down
Battered and blue
Feelin' useless...

I spend my days
Lyin' in bed
Guess I behave
Like a pathetic wreck
Don't you see
This bleeding heart is
Runnin' on empty...

I just need another shot of your love
I'm on broken wings
And a little ain't never enough
I want everything

All that you've got...

Oh yeah...

You're so hot to love
And you're so hard to leave
You're in my blood
In the air that I breathe
Take me inside
And spin me around
And eat my heart out...

I just need another shot of your love
I'm on broken wings
And a little ain't never enough
I want everything

Oh oh oh, oh oh oh...
Oh oh oh, oh oh oh...
Oh oh oh, oh oh oh...

Oh oh oh, oh oh oh...
Yeah...

Girl, I gotta have it...
Oh babe I need some fuel to run, baby...

I just need another shot of your love
I'm on broken wings
And a little ain't never enough
I want everything

I just need another shot of your love
I'm on broken wings
And a little ain't never enough
I want everything

Ah ah ah ah, oh yeah
Ah ah ah ah...

I just need another shot of your love
(I need another shot of your love)
Ah ah ah ah...
Ah ah ah ah...
Ah ah ah ah...
Ah ah ah ah...
