I'm the one who holds the key  
The master of your destiny  
The final station down the line  
I'm coming for you when it's time

I'm the truth you can't escape  
Eventually we'll meet someday

I am the end!  
The messenger of darkness, I'm the end

You fear what you don't understand  
You fear the harvester of man  
But where you end up, who can tell  
At the gates of heaven or the pits of hell

Are your final curtain call  
The conclusion to it all

I am the end!  
The messenger of darkness, then again  
I am the end!  
The path to something bigger to begin  
I'm the end'

And when that day is comin'  
When the bell rings  
When your time is runnin' out  
I'll be waitin' in the wings  
I'll be there to be your guide  
I'll lead you to the other side of life  
Alright!

Well I'm the last resort you know  
I'll tell you when it's time to go, go, go, go

I am the end!  
The messenger of darkness, then again, my friend  
I am the end!  
The path to something bigger to begin  
I'm the end!
