I Ain't got a lot to say
And I don't like this game you're playing
I really need you baby
What I thought could be forever
Now I realize will never
Ever be the same again

And I know
That I have to regret
When you go
And there's no one instead

If it ain't gonna change
I'll be losing my mind
The way to your heart
Is so hard to find
If it ain't gonna change
And if you won't be back some day
I can't carry on
If it ain't gonna change some day

Hey girl you hold the key
To unlock me from these chains
If there's a chance that we can make it
Then why don't we just take it baby
It could be so easy you see
And I know
All the things that I said
When you go
It's too late to regret

Chorus

Now tell me do I ever cross your mind
Do you think of me
You're gonna give me all your love right now
That's all I need oh yeah

Girl you know
There's a place in my heart we could go
We could start from the start

Chorus
