I never thought that love would cut so deep  
I guess I need a little understanding  
And I wonder if the ends will meet  
Can't stop this heartache  
From coming my way

I've had enough I'm leaving  
She said and walked away  
Left me broken-hearted weeping  
Tears will fall like rain today

Don't like these games you're playing  
Well, easy come and easy go  
I don't like these words you're saying  
Am I paying the price of love?

Chorus  
You know it ain't easy  
To leave someone you love  
It takes more than a feeling

To leave someone you love

Yeah, sure it does

Don't have to say you're sorry  
That the two of us are breaking up  
No you don't even have to say you worry  
'Cause I refuse to give it up

Don't like these games.....

Chorus

I'm a prisoner to love

Do you really want to see me hurt  
Now does it have to be that complicated  
Can't you see my heart is bleeding girl  
I can't believe it baby  
I can't believe it baby oh no

## Chorus
