Gonna hit this town tonight
Let your troubles out of sight
Scream out, spread the word around
Get all up and stand your ground

That's when your heart starts to pound
To the beat and the sound
We'll rock the night away

So just hold on to your dreams
And just keep on believing
We're living for today

Loud 'n' proud
Loud 'n' proud
Oh, oh, oh
Loud 'n' proud
Loud 'n' proud

In the cities, in the halls
Throw a party, have a ball
Raise your hands to rock 'n' roll
Let the rhythm take control

That's when your heart starts to pound
To the beat and the sound
We'll rock the night away

So just hold on to your dreams
And just keep on believing
We're living for today

Loud 'n' proud
Loud 'n' proud
Oh, oh, oh
Loud 'n' proud
Loud 'n' proud

That's when your heart starts to pound
To the beat and the sound
We'll rock the night away

Loud 'n' proud
Loud 'n' proud
Oh, oh, oh
Loud 'n' proud
Loud 'n' proud
