I've heard it called by different names
All over the world but it's all the same
There's so many ways to make love
A million ways I've been thinking of, oh yeah

But there's only one way
There's only one way to rock

Well so many things can get you high
I'm gonna try them all just once before I die
And you can analyzed the situation
To me it's all just mental masturbation, ooh, yes, it is

But there's only one way
There's only one way to rock
There's only one way
There's only one way to rock

Now quickly check the hands
On the clock, it's 8.05, it's time to rock, ooh yeah, oh

And this world can disagree
They don't understand how it can be, ooh
And it's not my point of view
It's a fact and and you know that it's true, oh yeah

But there's only one way
There's only one way to rock
There's only one way
There's only one way to rock

Oh, there's only one way
There's only one way
There's only one way to rock
Hey, oh yeah
