In the land of make believe  
In America  
Go chase your fortune  
Suicide on prime TV  
Mass hysteria  
The U.S. wants you

Malcolm X, politics  
Tricky Dick and dirty tricks  
Sugar Ray, CIA, lost in Hollywood  
Letterman, Disneyland, Luther King  
And Ku Klux Klan  
Watergate out in space  
Armstrong on the Moon

Ride on to life  
It's what you make it  
In Gods country  
Eye for an eye  
This is only in America

From the piles of dollar bills

To the poor ones in the ghetto nation  
And the riches on the hill  
Take advantage of illegal aliens

Iron Mike, take a bite  
Stern is on the air tonight  
Al Capone, rock 'n' roll, Elvis is alive  
Kennedy for president  
Shot in Dallas 1 PM  
Liberty, LSD  
Lucy in the skies

Chorus

Sue you out of every course  
Hypocrites and foreign wars  
Brave new world  
Brave new world

## Chorus
